

Making its debut soon, Hard Rock Las Vegas Hotel & Casino will be a fully integrated luxury resort offering world-class gaming, dining and entertainment, all located centerstage on the Strip. Anchored by a nearly 700-foot guitar-shaped hotel, the resort will offer nearly 200,000 sq. ft. of flexible, pillarless, carpeted meeting space. With events conveniently located on the same level as the main hotel, your attendees will have easy access, just a quick, 3-minute walk from their guestrooms.

The stage is being set for the ultimate meeting & event experience at Hard Rock Las Vegas, where business and leisure will come together like never before. Secure your space now and be among the first to step into the spotlight.
